

Winsor Tucker

Scholarship Application

Due Date: February 28

Enclosed are the forms for the Winsor Tucker Scholarship. This is a very generous, renewable 4-year scholarship set up by Mr. Tucker upon his death and is administered by the York Community Foundation according to his wishes.

Applicants may apply online at www.yorkcommunityfoundation.org. Just click the scholarship link on the home page for the application form.

Winsor H. Tucker was born in 1930, and lived in York, Nebraska all of his life. When Winsor was 17 years old, he was struck down by a rare disease that left him wheel chair bound for the remainder of his life. He did walk across the stage, with the aid of crutches, to receive his high school diploma. He attended York College for a year, but was not able to finish his education due to his disability.

Winsor's parents owned a sale barn north of York, where he worked for many years. He was a very intelligent man who had a great interest in education and learning. He studied the stock market and made a large share of his money in the stock market.

In 1999 Winsor Tucker passed away, leaving a large portion of his estate to the York Community Foundation to establish a scholarship fund. The first Winsor Tucker Scholarships were awarded in 2000.

The eligibility criteria for the scholarship are very specific and the academic criteria are very rigorous. However, the use of the money as to where and how it may be used is extremely generous. Please read the enclosed criteria and review the rules with the students who are interested in applying for this scholarship.

Because the application requires a letter of application and three letters of recommendation, we suggest that you notify your students of this scholarship as early as possible. An interview may be added at the discretion of the committee. Thank you for all that you do to assist your students in becoming successful in their academic endeavors.

Scott Kohmetscher, Chairman
Winsor Tucker Scholarship Committee
